

- **Solutions Manual:** Prepared by the authors; contains detailed solutions to all assignments.
- **PowerPoint:** Prepared by the authors; instructional PowerPoint slides for each chapter enhance the classroom presentation of book materials.
- **Test Bank:** Prepared by the authors; a collection of multiple-choice questions, exercises, and problems designed to save time in preparing and grading periodic and final exams.
- **Website:** All instructor materials are accessible via the book's website (password protected) along with other useful links and marketing information. www.cambridgepub.com

For Students

- **eLectures:** Each of the chapters' Learning Objectives includes an eLecture video available in our online learning management system, myBusinessCourse (see below for more information).
- **Guided Examples:** Guided Example videos are available for each in-chapter Review, also in MyBusinessCourse (see below for more information).
- **myBusinessCourse:** A web-based learning and assessment program intended to complement your textbook and faculty instruction. This easy-to-use program provides you with additional help when your instructor is not available. Guided Example videos  are available for all in-chapter Reviews, and eLecture videos  are available for each Learning Objective. With Instructor-Led MBC courses, assignments with the  in the margin are also available in myBusinessCourse and are automatically graded. Access is free with new copies of this textbook (look for page containing the access code towards the front of the book). If you buy a used copy of the book, you can purchase access at www.mybusinesscourse.com.
- **Website:** Useful links, including updates, are available to students free of charge on the book's website.
