Notes:				
1. There are many ways to slice and dice the analysis such as doing it by term. However, the results seem to be consistent and vary within a small range. Therefore, I stopped after the first several iterations.				
2. Undergrad courses exclude MGMT 556 and VITA.				
3. Tax courses include ACCT 315, two half unit courses and VITA. They were not weighted by for half-unit or quarter unit, Again, this didn't seem to be necessary.
